

## **KEYS GATE COMMUNITY ASSOCIATION SECURITY CAMERAS POLICY**

Adopted via Board Resolution 5.27.2021

1. Keys Gate may from time to time maintain security cameras in operation at gated entrances, pool areas, and other common areas throughout the property of the association.
2. Security cameras may or may not be monitored.
3. Security camera footage, if deemed official records of the association, may be subject to inspection by members of the association in the manner provided by Florida Statutes and the association's rules and regulations.
4. Security camera footage will automatically be recorded-over and not purposely stored unless required by law or deemed necessary by the association for matters such as but not limited to potential litigation.
5. Information regarding the manufacturer, model, and other information regarding security cameras and related equipment shall be deemed confidential.
